THE STILL ALARM

One in a while, and only once in a while, there comes a photodrama of such stupendous magnitude and of such intensely dramatic situations that it grips us; holds us; and will not let us go until the final scenes have faded from the screen leaving us bewildered by what we have seen Just such a photo drama is "The Still Alarm," which comes to the Idle Hour Theatre for one day, tomorrow, Tuesday.

The story of the picture is taken from the melodrama of the same name which was written by Joseph Arthur and which made its appearance as a stage play back in the eighties. Its success was instant, and since that time "The Still Alarm" has been packing theatres throughout the country as has no other production of the American theatre.

LIGHTS ARE READY

Tomorrow Night Convention Will be Declared Open When Lights Flashed on—Something Doing Every Day

More than 100 members of the Harrisonburg, Va., fire department are scheduled to arrive here at 9.13 o'clock tonight to take part in the three day's convention of the Virginia Firemen's Association which will hold its thirty-fourth annual session beginning Wednesday morning.

The Harrisonburg company will be met at the railway station by a large delegation of firemen, representing all of the local companies. They will be escorted down King street and red lights will be in order. They will bring along with them their own band. The visiting firemen will be taken to the office of Fire Chief Ogden and registered, after which they will go to their quarters on the Lee school grounds where they will camp. Eight tents have been erected for their accommodation. The company is in command of Capt. E. J. Lamb.

A big wooden key, finished in gold and covered with tiny incandescent lights, today was placed in position in front of the office of Chief Ogden, firemen's headquarters, and the lights will be turned on tonight. This is silent reminder to the visiting firemen that the keys of the city have been turned over to them. Work of decorating today is being speeded up. By Wednesday practically all places along the line of march will be gaily decorated with flags and bunting. A majority of the King street stores and dwellings already are decorated.

Electricians today were engaged in the task of stringing wires on King street for illuminating. Each cross wire contains twenty-four bulbs and those on Washington street between Cameron and Prince streets contain thirty-five bulbs. The lights are red and white. Banners also will be thrown across King street from Fairfax to the Union railway station.

The lights in the city for the firemen's convention will be flashed on at 9.30 o'clock tomorrow night from the office of Chief Ogden. Immediately following the flashing on of the lights a band concert will be given in front of the fire chief's office by visiting bands. At 7.30 o'clock in the evening there will be a caucus of the representatives of the different companies in the state which will be held at the rooms of the Chamber of Commerce. When the lights are turned on it will be signal for noise making devices to be put in operation. All of the different apparatus will be on the streets and circle about for an hour or more and the sirens will let loose and the fire engine bells also will add to the noise.

Wednesday morning at 10 o'clock the business session will be called to order by State President Ogden in the auditorium of the Elks home and in the afternoon at 4.30 o'clock there will be a ball game between the Baptists and Methodists.

At 8.30 o'clock there will be a band concert in front of the Young People's building and at 9.30 o'clock a parade of the local fire apparatus and private automobiles and trucks and a prize of $25 will be awarded for the best decorated vehicle.

Thursday afternoon at 4.30 o'clock the big parade will take place and this will be followed at night by a masque carnival which will be held on Washington street between Cameron and Prince streets. Reel races Friday on Washington street will bring the festivities to a close.

Chief Ogden is desirous of securing more little boys and girls to pull the old Friendship engine in the parade Thursday afternoon. The route of the parade has been extended and all persons living along the line of march are requested to display at least one flag.

REDS REINFORCED DRIVE POLES BACK

Paris Hears of Big Turning Movement—30,000 Russians Reported Captured

RETREAT A TRICK

Polish Aviators Report Soviet Forces Have Consolidated—Fighting East of Warsaw on Big Scale

Paris, Aug. 23.—Executing a gigantic movement with the aid of a large number of troops brought up in trains, the Red armies are again driving the Poles backward along practically the entire front, according to the latest advices from Warsaw.

Polish aviators report that the Soviet forces have consolidated their entire front, established communications with their bases and are receiving strong reinforcements of men, ammunition and guns.

It is the opinion of some military experts that the precipitous retreat from Warsaw was merely a master stroke of strategy to draw the Poles from the strongly defended area in to the open country, hoping then to break through and capture the capital without a struggle.

Warsaw, Aug. 23.—Thirty thousand Russian prisoners from twenty-one divisions, have been captured by the Poles in the recent fighting around Warsaw and to the north and south, according to announcement by the Polish general staff.

DIME 'FLOP' GONE; CREDITS PROHIBITION

Chicago, Aug. 23.—Demand for private rooms, with sunshine and hot and cold running water, has supplanted the dime "flop" among wayfaring workingmen, according to the observations of the Salvation Army.

Lieut.-Col. Emil Marcussen, head of the industrial department of the army for the States west of the Mississippi, said today:

"The day of the dormitory, or, more accurately, the "flop house," has passed. The kind of men who used to come to us seeking free beds or glad to get them for a dime, now ask for private rooms. Since prohibition became effective I have closed several of our workingmen's hotels, including one in Chicago and another in Kansas City.

"There is a real need for good, modern hotels for men at reasonable prices and those which we have are run along such lines. Our Working Men's Palace in Chicago has 571 beds Three years ago we would have found ten or twelve men in the palace with bank accounts. Last month there were 312 men in that hotel who carried bank books.

WILL HUNT WHALES FROM A BALLOON

Long Beach, Cal., Aug. 23.—Whale hunting from a baby blimp is a project of Capt. John D. Loop, a resident here, who has had many years experience whaling in the old fashioned way. Capt. Loop has invented an aerial harpoon to be dropped upon the whale with a buoy attached to trace the leviathan after he is struck.

When the whale comes up for air after he is struck the captain proposes to attack him with a bomb gun. A blimp is being rigged at a Los Angeles flying field to try out Capt. Loop's method.

TERRIBLE TOLL AS TRAIN HITS BUS

Eight Are Killed And Seven Injured At Camden, N. J.

CHILDREN VICTIMS

Worst Accident in History of New Jersey Grade Crossings—Safety Gates at Crossing Out of Order.

Philadelphia, Pa., Aug. 23.—Eight persons were killed and seven injured, three probably fatally when an express train from Glassboro to Camden struck an automobile bus at the Morgan street crossing near Fairview, N. J., outside of Camden last night.

Smashing its way into the bus loaded with people returning to their homes in Fairview, the train dragged the bus for more than seventy five yards, scattering the dead and injured along the railroad track.

The dead follow: Percy D. Gunn, 30 years, of Fairview, An unidentified woman, stout and about 45 years. A young man 30 years old. A young woman, 18 years old. Two babies, one about 10 months old and teh other about 16 months old. Two unidentified men.

The injured:

Robert A. Stafford, of Fairview; Mrs. Stafford and her 10 months old baby; Joseph Stratton, 30 years, Camden; James Dalton, 26 years, Brooklyn, N. Y.; John Meyers, 24 years, Fairview; Martin Herold, 17 years, Fairview.

The driver of the machine was instantly killed, while the clothes of one of the dead women was stripped from her body.

The accident was described as one of the worst in the history of the New Jersey grade crossings. The cries of the injured sounding above the crack of splintering wood and grating metal brought the passengers of the electric train to the rescue, but the victims of the crash were beyond any human aid.

The safety gates at the fatal crossings were out of order and a watchman was stationed there to warn the approaching motor buses, which maintain a regular schedule between the Federal street ferry at Camden and Fairview.

FIRE ON STEAMBOAT BLAMED ON CIGARETTE

B. C. & A. Official Believes Careless Smoker Responsible

Baltimore, Aug. 23.—A carelessly thrown cigarette is believed responsible for the fire which wrecked the steamer Old Point Comfort of th Baltimore, Chesapeake and Atlantic Steamship Company, at her dock alongside Pier 1, Pratt street, early yesterday morning.

The old side wheeler, which has been in service more than 30 years without an accident, is lying in about 12 feet of water near the end of the pier. Her hull is intact, but her interior is a mass of charred woodwork, and before she can be put in service she will have to be practically rebuilt.

APPEAL FOR AUTOS

Mayor-elect James M. Duncan, who is to be chief marshal of the big parade, scheduled for Thursday and who is also chairman of the automobile committee has issued a request that all automobile owners of the city who will lend a car to the committee for the purpose of going through with the sight-seeing trip to Arlington, Fort Myer and Washington on Thursday morning, communicate with him at once.

Chief Marshal Duncan has promised that all of the cars loaned for this trip will be returned by noon Thursday. This will give the owners ample time to get them ready for the big parade in the afternoon.

OUR VOTE IN THE LEAGUE

Albert Bushnell Hart showed nearly a year ago that if England could control six votes in the League of Nations, the United States could control an equal number. Franklin D. Roosevelt doubles the American influence in the League, or the influence it would have if it were a member. He says the United States has about 12 votes. Haiti and Santo Domingo, Panama, Cuba and the Central American countries have at least 12 votes in the League Assembly, and all regard the United States as a guardian and big brother, and all of them would vote with the United States. Cuba, Haiti, Santo Domingo, Panama and Nicaragua are directly under our influence. But the essential facts are that the British dominions can enter the League not to strengthen Great Britain, but to give effect to their practical independence, and that the executive element in the League is the Council which must be unanimous to take any action.

FOOD COMPOSITION OF A BANANA

A-water 76 parts. B Protein 1 part C Fat 1-2 part. D Carbohydrates 22 part. E Ash 1-2 part.

It is a mistake to eat banana raw and while their skins are yellow as as most of us do. The ripening process is not completed and the banana is not really fit to eat until the skin has turned entirely dark all over and no yellow can be seen on it. Then the banana is in prime condition and is far more easily digested than when eating while yellow and really only half ripe. The next stage after the darkening of the skin is inky blackness, and when the banana has developed this color it means that by fermentation part of the starch the fruit contains has been converted into sugar, so long as the black skin is smooth and shiney the banana is perfectly good to eat, but when the skin begins to wrinkle, fermentation process makes sour and unfit.

AT THE AUCTION SALE

Who seeks this unfrequented lane?
What alien voices fill the air?
Why does the wicket close in vain
While strangers tread the cottage stair?
With open door, each well swept room
Invites to enter all who care;
Unlocked, each cupboard's cleanly gloom
Defies a search for secrets there.
But she who garnished them is gone.
Her cloth and besom unemployed;
The very fullness of the throng
But stresses that essential void.
Sole heir, a nabsent kinsman claims
Remote in dwelling—not in blood.
All that was hers, and sordid aims
Decree what love might have with stood.
In all their poverty forlorn.
Her least possessions are displayed.
The very hassock, old and worn,
Whereon she had so often prayed.
And when the last poor price is paid
And homeward each his habit calls,
On desolation undismayed
Unmarred the hush of evening falls.
Through casements bare with borrowed light
On empty walls the harvest moon
Draws out of branches in the night
An undecipherable rune.

SPORTS

In the fastest and best played game seen here this season the Dreadnaught A. C. turned in their thirtieth win out of thirty-one starts of the season when they won a hard fought game from the All Stars, a picked aggregation from the Finance and Treasury clubs of the Departmental League, Washington, score 3-2. Ed Singleton, Dreadnaught pitching ace, after losing a close game for the Marines Saturday in the District independent series against the Metropolitans, was in superb form yesterday, striking out sixteen All Star batters and allowing only five scattered hits, errors and bad breaks of the game accounting for the two markers made by the visitors. The defensive work of the Government lads was above par, their brilliant work turning back several Dreadnaught rallys, a double play from McCann to Myers to Snyder and a perfect peg from right-fielder Mackley, catching Carl Dreifus at the plate standing out. Dreadnaught runs were scored on triples by Wop Deavers, Carroll Summers, and a home run by Carl Dreifus, the latter leading the hitters of the affray with three clean bingles out of four trips to the platter.

Chief Whall, the winners crack receiver, and latest bridegroom, celebrated his entry into matrimony, by holding up Iron Man Singleton in great style, his peppery actions proving popular with all.

Score by innings:

D. A. C. . 0 0 1 0 0 2 0 0 x—3 8 1
U. A. S. . 0 0 1 1 0 0 0 0 0—2 5 0

All Stars—Tetrault, ss.; McCann, 2b.; Loomis, c.; Snyder, lb.; Mackie rf; Knott, lf.; Neifeldt, cf.; Myers, 3b. Jackson, p.

The Cardinal-Aloysius game on the North Alfred Street field was a fast and interesting game from the start until the last man was retired in the ninth, when the game was called on account of rain with the score standing 3 to 3.

Sammy Sampson started to twirl for the Cardinals but lasted only (1-3) the third of an inning, being wild, and was relieved by "Jeff" Williams who proved himself to be quite a twirler, allowing only 3 hits and walking only two men. Davis the Aloysius twirler was rapped for 9 hits but kept them well scattered, pulling himself out of many tight holes. Collins the Aloysius right fielder was a shining star for the visitors pulling a wonderful one hand catch of a line drive with the bases loaded. Alexander came across with another star catch thereby saving a rally by visitors.

The Aloysius played as a whole a very fast game, while the Cardinals inner work showed there ability with fast fielding.

The next game of the Cardinals will be with the strong Linworth A. C. Sunday August 29, at 2.30 p. m.

EXONERATES WIFE CLAIMS HER BODY

New York, Aug. 23.—The body of Mrs. Alice Deverall, found dead from asphyxiation with Harold Eustis Ferry, a former lieutenant in the aviation corps, in a Brooklyn hotel Friday night, was identified and claimed by her husband, Percy Deverall, a photographer of Wheeling, W. Va.

"I did not know Ferry," said Deverall, "but, I had often heard my wife speak of him, and had the utmost regard for him. I don't believe there was anything more than friendship between them."

Deverall said his wife left Wheeling three weeks ago, coming to Brooklyn to pack up their household goods, which were in storage. The night before Mrs. Deverall and Ferry were found dead, Deverall received a telegram from his wife saying their furniture was ready to ship. Deverall said he and his wife had never been estranged or quarreled.

"This is nothing more than an unfortunate accident," he said, "and I can never believe she was unfaithful.

$150,000 SPENT FOR SUFFRAGE

The National Woman's Party spent $150,000 in its campaign for the ratification of the woman's suffrage amendment, more than $60,000 of which was appropriated for obtaining action by the thirty-sixth State, according to an announcement yesterday. The largest contribution was made by a Philadelphia woman, Miss Mary E. Burnham, who gave $14,000 to the suffrage cause.

Since March 22, when Delaware called her legislature in special session to consider ratification of the nineteenth amendment, the sum of $58,519.26 was raised and spent, according to the announcement. It adds that this does not include the sums raised and spent by Delaware for its own campaign or spent but not yet raised within Tennessee. The Tennessee campaign cost the Woman's Party at least $10,000, the report said.

The second largest contributor was Miss Fannie T. Cochran, of Pennsylvania, who gave $6,000. Mrs. H. O. Havemeyer, of New York City, contributed $4,850 and Mrs. Charles Boughton Wood gave $5,050.

Mr. Dodson Warns Against Use of Treacherous, Dangerous Calomel

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.

If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodsons Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless pleasant and safe to give to children they like it.

The Closer at Home You Keep Your Dollars The Quicker They Will Get Back to You

Don't make any mistake and consider that it will not make any difference whether you spend your money in this city or send some away. You may have fond hopes of saving on your purchases but when due consideration is given to all expenses attached your investigation will show that this is not the case. In fact you will discover that instead of being benefitted that your purchases have cost you more than you would have paid for them here as under all conditions.

Alexandria Can Prosper Only so Far It Receives the Undivided Support of the Residents

Flourishing industries and up-to-date mercantile establishments are the life of any city. This city has reason to be proud of those that are located here. The growth of this city depends upon the support given its industries. If mechanics seek work in other cities, it is a handicap to those that are located here. If our residents send to distant points for merchandise, they are not assisting in the growth of Alexandria as they should.

IF OUR CITIZENS WILL BE TRUE TO THE INTEREST OF ALEXANDRIA, ITS GROWTH WILL BE SURE AND CERTAIN AND THEIR PROSPERITY AS WELL WILL BE ENHANCED

Winchester—James L. E. Van Meter, 89 years old, a member of the family of that name which came from New York and settled in Virginia in 1736, died near Berryville a few days ago. He was a Confederate veteran.

Danville—Albert Harris, a young Pittsylvania farmer, probably was fatally wounded last night by Deputy Sheriff W. L. Vernon, who waylaid him. The sheriff says Harris had a load of liquor.

Roanoke—Sixty-one moonshine stills, several hundred gallons of whisky and much mash was destroyed by Federal revenue agents who have just completed a tour of the mountain counties of Henry, Patrick, Franklin and Roanoke. Many of the stills had been moved before the officers arrived, word of their raid being passed along the mountains as soon as they began operations.

Charlottesville—The armory here is being equipped for the State Berkshire sale to be held August 26. This will be the first State sale of the kind held in Virginia. It will be under the auspices of the Virginia State Berkshire Breeding Association.

Winchester—Miss Mary Jacquelin Smith, daughter of Mr. and Mrs. Richard Smith, of Wickliffe, Clarke county, has left for Shanghai, China, where she will engage in mission work for the Protestant Episcopal Church.

Danville—A fall from a bicycle proved fatal to Earl Patterson, 11 year old son of Mr. and Mrs. D. P. Patterson, at South Boston. The boy survived the initial shock, but in the evening pains in his head preceded a convulson, which ended his life.

Charlottesville—While attempting to ford Moormans river last evening, William R. Crenshaw, 70 years old, for several years state route carrier between Charlottesville and Free Union, was drowned. Searchers did not find the body until 7 o'clock this morning.

Winchester—Clyde H. Hooley, a member of the State Senate of Ohio from Champaign county, yesterday afternoon was found guilty in court here of deserting his wife, formerly Miss Ethel V. Pickeral, of Middletown, Va., and required to pay his wife $60 a month for one year for her support and to give a bond of $750. He noted an appeal to the Corporation Court, and the case will be called at the September term.

Danville—The funeral of Mrs. Lottie Long was conducted here yesterday afternoon by the Rev. O. B. Newton. Yesterday morning the same minister conducted the burial service over her grandchild, who died on the same day. Dr. Newton on Friday afternoon officiated at the funeral of Melvin Long, another grandchild of Mrs. Long. The three deaths in the family took place with in 24 hours.

Norfolk—Charles E. Matthewman, 29 years old, a war veteran, plunged to his death from the eighth story of the Citizens Bank Building yesterday morning. The body struck the sidewalk and rolled under a truck that was drawn by the curb. The man expired before arriving at St. Vincent's Hospital. Practically every bone in his body was broken by the fall.

Winchester—Capt. Leonard Van Egmond, who has been in charge of the Salvation Army work here since the local branch, was established about two years ago, has been transferred to Washington, D. C., effective September 1.

Danville—Bloodhounds were sent from Danville yesterday to Walnut Cove, N. C., just over the State line, to trail a negro who shot and killed Chief of Police Mathews and a young man named Walter Martin at a dance Saturday night. The police chief, it is claimed, accused the negro of insulting a white woman. The man, it is claimed, drew a revolver and killed Martin, after which he disappeared in the woods.

Clothes are one of the most important items in the now prevalent high prices. Yet thousands of dollars worth of clothes are worn out every year on old-fashioned scrubbing boards. Women ruin their hands and spoil their beauty over a miserable wash tub. Why?

The easy Clean Easy method of washing saves clothes—saves time—saves money—saves you. No expensive machines are needed. Simply a cake of Clean Easy Napthoeine Wash Soap, a tub and a stick.

Soak the clothes over night. Shave ½ bar of Clean Easy in 4½ gallons of water. Bring to boil and let soap dissolve. Put in clothes. Stir for ten minutes with a stick. Rinse, blue and dry and your entire week's washing is done cleaner and better than ever before.

Just think how easy and how wise it is to wash this way. No clothes are worn out on a board. The boiling kills all germs and leaves the garments sweet and wholesome. Clean Easy removes all dirt and dust. You don't even have to wet your hands!

Clean Easy cannot hurt the clothes. It is simply a wonderful cleansing agent that does the hardest work in the easiest way.

up their retreat and have proved that they are capable of further resistance. Military experts here declare that the lack of a larger cavalry force on the part of the Poles prevented them from making their victory more decisive. The cavalry, it is pointed out, could have cut down isolated bands of Reds and thus prevented the scattered groups from becoming effective fighting. The number of prisoners is being added to constantly.

There is considerable fighting to the east of Warsaw and it may be some time before the situation is straightened out.

It is generally recognized that the fighting is in its third phase, that is, the Soviet forces have slackened units through juncture with others.

JUNIOR RED CROSS ACTIVE IN EUROPE

Garden seeds for Polish orphans, milk for anaemic Greek babies, carpenters' tools for Czecho-Slovakian cripples—these are only a few of the gifts that young Americans are sending to the war-crushed children of the Old World.

Through the Junior Red Cross the boys and girls of the United States are giving a fresh start in life to little war orphans scattered all over Europe. They have set up orphans' homes in France, school colonies in Belgium and Montenegro, and day schools in Albania.

They are sending dozens of young Syrians, Montenegrins, and Albanians to American colleges in Constantinople and Beirut, and maintaining more than a hundred orphans of French soldiers at colleges and trade schools. In orphanages and farm schools up and down the peninsula of Italy there are nearly 500 wards of American Juniors.

Last winter a thousand French children from the inadequate shelters of the devasted regions were sent by the Junior Red Cross to spend the cold months in warmer parts of France. At the same time five thousand little Belgians were having a hot lunch every day at Junior Red Cross school canteens.

American school children have already raised something like a million dollars for these enterprises, and they are still hard at work.

In China, through campaigns of education, the Junior Red Cross is helping to combat widely prevalent blindness and cholera.

BRITAIN TO BESTOW FREE-

London, Aug. 23.—The London Times says this morning it understands that Great Britain has agreed Egypt.

The decision, according to London Times, resulted from recent conversations here between the Viscount Milner Mission, which recently visited Egypt, and an Egyptian delegation headed by Said Zagloul Pasha, former minister of justice. Among the fundamental points of the agreement are. "Egypt will recognize Great Britain's privileged positions in the valley of the Nile and agree in case of war, to afford every facility for access to Egyptian territory; Great Britain will maintain a garrison in Egypt, in the canal zone; Egypt regains control of foreign relations, subject to her not making treaties contrary to British policy and will have the right to maintain diplomatic representatives abroad. Capitulations will be abolished.

RICHMOND THEATRE

Marion Davies' latest Cosmopolitan Production, "April Folly," which is being released by Famous Players Lasky Corporation and will be shown at the Richmond Theatre tonight, was adapted from Cynthia Stockley's story of the same name. As a magazine serial, it attracted unusual attention. The theme is a most novel one, relating how April Poole, played by Miss Davies, in search of material for a new novel, impulsively offered to exchange places with the daughter of an earl who was on her way to South Africa with a famous diamond. Private detectives and a pair of international jewelry thieves are trailing the gem. April has several thrilling encounters on shipboard and a pretty affair of the heart.

IRISH RIOTERS APPLY TORCH TO AVENGE MURDER

Belfast, Aug. 23.—Rioting is in progress in Lisburn as a result of the assassination today of Police Inspection Swanzy.

An attempt was made to wreck the shop of a Sinn Fein leader within 40 yards of the scene of the crime, and only intervention by Ulster volunteers prevented it.

The crowds were out to burn the house of every Nationalist in Lisburn. Boards were wrested from windows that previously had been smashed and fire raiders entered buildings calmly to complete their destruction.

The local fire brigade declined to interfere and the Belfast brigade showed reluctance to respond to calls as seven hundred men from Lisburn travel daily to Belfast to work in the shipyards. A renewal of trouble here is feared.

FINLAND WINS MARATHON

Antwerp, Aug. 23.—The classic Marathon saw its renewal today with out an American victory, the Veteran Hannes Kohlemainen, running for Finland, finished at the head of the field.

Kohlemainen ran an impressive race and well deserved the honors which came to him. He was never far back of the leaders during the first half of the race. After he took the lead on the way back to the stadium he was never in danger and finished with a burst of speed that was easily sufficient to beat off the challenge of Lossman, the Esthonian, who finished second.

Clogged-up Impurities Will Undermine Your Health.

The first symptoms are usually a loss of appetite, followed by a gradual lessening of energy, the system becomes weaker day by day, until you feel yourself on the verge of a breakdown.

This whole condition is but the result of impurities in the blood that show that nature needs assistance in giving the system a general housecleaning.

Nearly everybody just now needs a few Bottles of S. S. S. to cleanse the system of impurities.

S. S. S. is without an equal as a general tonic and system builder. It improves the appetite and gives new strength and vitality to both old and young.
